Dear Chris,

RE: 2005 Bryant 190 – Valuation

I have reviewed your boat with the following details:

2005 Bryant 190 Yellow & Cream in colour NSW Reg: IBR719N HIN USBRA18503K405
MerCruiser 4.3l TKS – no engine hour gauge with Alpha 1 leg
Bryant Single axle braked trailer NSW Reg: V-65415

The boat present in above average condition for its age, trailer is in fair to good condition.

The market for Bryant is small in Australia but based on past experiences with this vessel when it was selling in Australia and comparable boats such as Bayliner and Sea Ray I would estimate the replacement insurance value would be \$37,500.

Yours sincerely
