Beam	11'	(3.35m)
Draught	4'	(1.22m)
Freeboard Bow	4'10"	(1.47m)
Freeboard Stern	3'3"	(.99m)

ENGINEERING

Single Screw Motor Options:
Recommended Diesel Power 250-300 h.p.
Twin Screw Motor Options:
Recommended Diesel Power 280-400 h.p.

The Fast Professional Fisher lives up to her name. The sturdy Deep-V fibreglass hull and choice of diesel engines makes her the desire of the modern fisherman — to go further afield in shorter times, — "Time is Money".

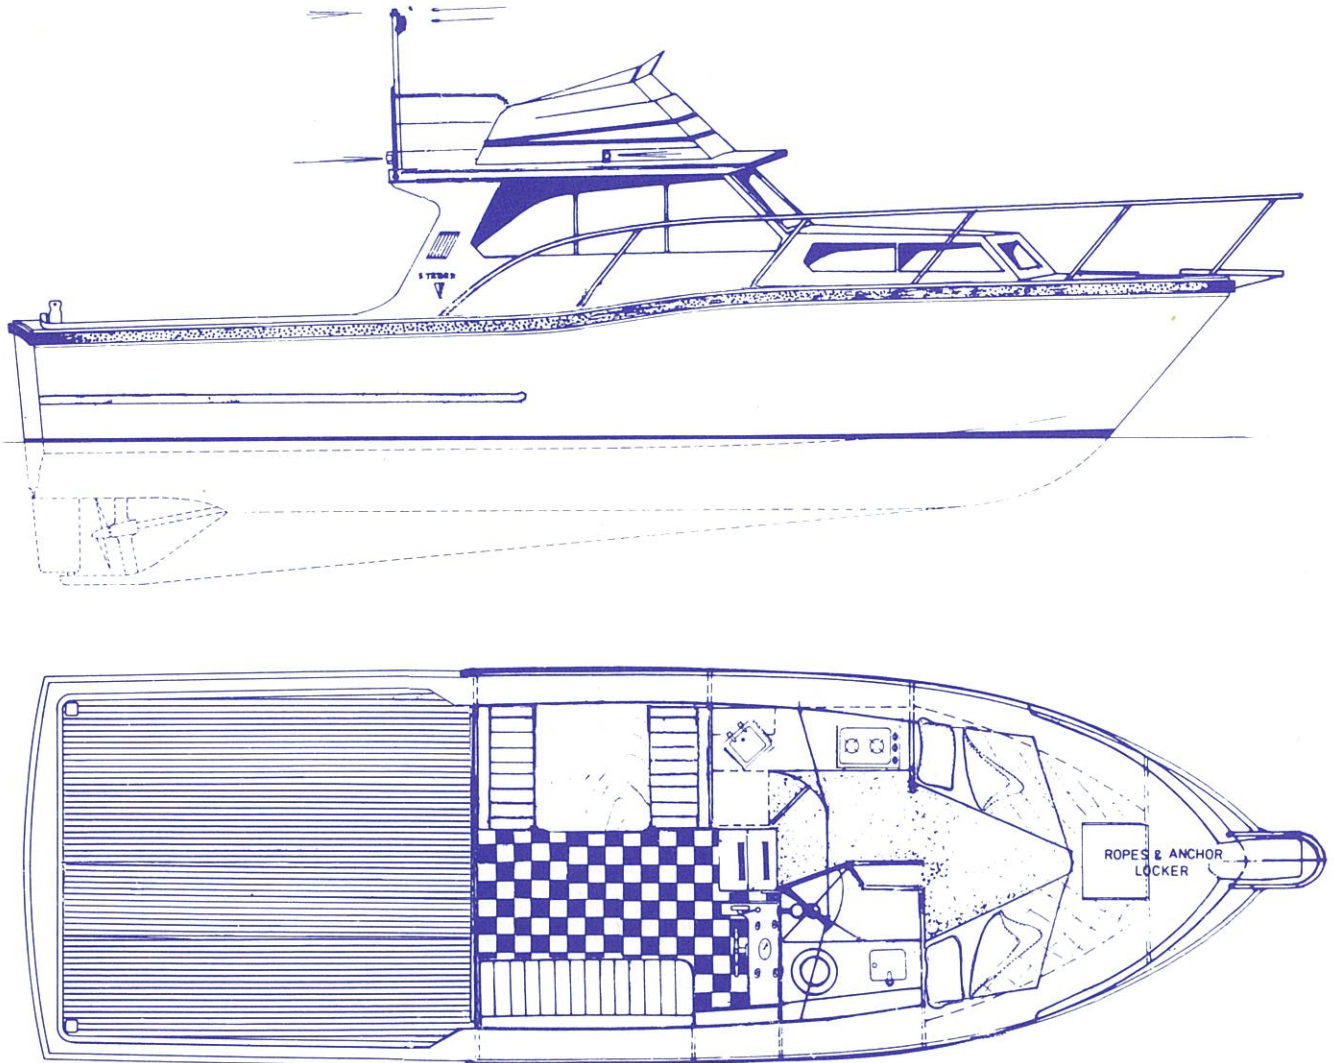

Up forward are V-bunks with lots of stowage room, and, if required "on the job" the wheelhouse has ample room for a dinette, stove and stainless steel sink.

For those who can get in amongst a catch, there is approx. 17.5 sq. metres (190 sq.ft.) of self draining cockpit work space, also large underdeck fish-hold.

Manufactured to strict Maritime Services Board Survey requirements.

This craft is available in stage versions ready to be completed.

34 SPORTS FISHERMAN

SPECIFICATIONS

L.O.A.	34'	(10.4m)
Beam	11'	(3.35m)
Draught - Single	4'	(1.22m)

Freeboard Stern	3'3"	(.99m)

ENGINEERING

Single Screw Motor Options:
 Recommended Diesel Power 250-300 h.p.
 Twin Screw Motor Options:
 Recommended Diesel Power 280-400 h.p.

Designed for the offshore fisherman who wants cruising conveniences on his boat.

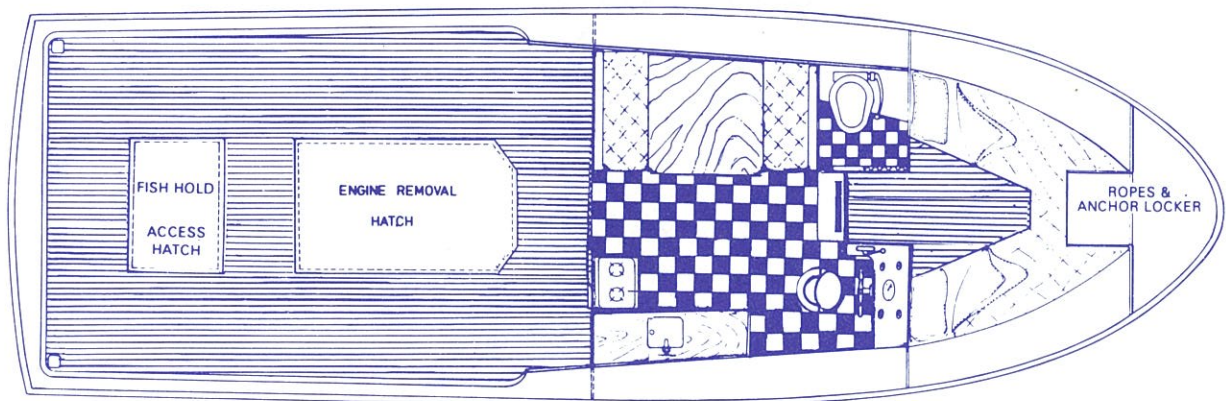

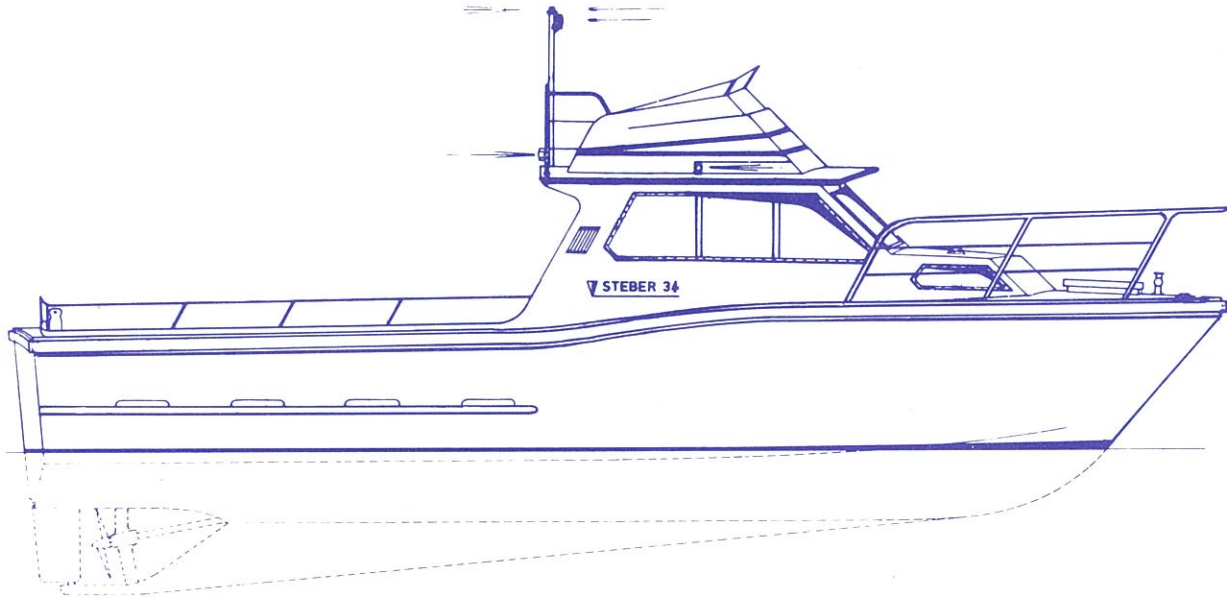

Utilising a high-performance Deep-V fibreglass hull, the 34 offers a choice of diesel engines or diesel inboard/outboard stern drive engines, delivering performances up to 25 knots.

There is 6ft 4in headroom in the spacious, stylish interior that sleeps 5, with cocktail cabinet and helmsman console in the main saloon. A fully equipped galley, two-burner range with oven, 1½ cubic foot refrigerator and stainless steel sink with pressure hot and cold water. The W.C. includes hot and cold pressure shower and basin with vanity.

Forward are V-bunks with large stowage compartments.

Also available in stage versions ready for fitting out.

34 PARTY FISHING VESSEL

SPECIFICATIONS

L.O.A.	34'	(10.4m)
Beam	11'	(3.35m)
Draught	4'	(1.22m)

ENGINEERING

Single Screw Motor Options:
 Recommended Diesel Power 250-300 h.p.
 Twin Screw Motor Options:
 Recommended Diesel Power 280-400 h.p.

Steber's Party Boat has been designed to cater for long distance cruising with features to provide exciting weekend fishing.

The strong Deep-V fibreglass hull offers a range of diesel engines producing speeds up to 25 knots.

Built on a semi-custom basis, the well appointed interior sleeps four, with amenities including toilet, stainless steel sink, stove, and convertible dinette.

The spacious cockpit provides a work area of approx. 15 sq. metres (160 sq.ft.)

The 34 Party Boat would be the envy in any port.

Available in stage versions for completion.
