### 2008 Pacificat 38

Pacificat 38 2008, extremely well appointed with numerous extras fitted for ease of cruising, with full recondition of engines. Cruises at 25 knots with a max of 30 knots. Entry to the spacious cockpit is via cockpit door leading from a large duckboard with tender davits for dingy storage. The cockpit is equipped with a sink and bait station, shower and cockpit table the second head is located here. Enter the main saloon through a door to starboard, leading into the main seating area with a well-appointed galley forward with plenty of storage and includes a large servery, new fridge and oven. Accommodation on starboard is a double island berth cabin forward featuring an ensuite aft on the port side there is a double berth with bunk above forward and a third single cabin aft. The fly bridge is accessed via steps from the center of the cockpit, it is roomy and has two possible berths on squabs making a total of eight berths. This vessel will double as a family cruiser or a serious fishing machine. She has had a many additional features including a foil fitted between the hulls and foil aft, new refrigeration, ground tackle, new clears, covers and upgraded electronics package. The twin Volvo engines have been both reconditioned and the IPS drives serviced (2024), with a new steering servo giving excellent performance and control. For further information or to view this vessel in the Marsden Cove Marina, call Alistair at Vining Marine on 021 406 446
