Description

The first word that comes to mind is Superyacht. If you are looking for good heritage, a raised saloon design, lifting keel, well equipped family Blue water cruiser with plenty of space for everyone to relax then Premium 1 needs to be seen.

Starting at the cockpit, there is so much space to entertain guests with nice deep bench seating and a centre table that doubles as a drinks cooler all under a vast bimini offering great sun protection. Perfect for a couple to sail with all controls located at the helm. She also comes with a huge rear lazarette garage and hydraulic swim platform that has plenty of space for a small tender to wide range of water toys.

Internally there is plenty of space on hand, from the large saloon with well equipped galley and breakfast nook, to the full beam Aft master cabin with ensuite.

Rigging replaced in 2022 but she does need a new set of sails.

If Europe or the Whitsundays are on your radar then the Hydraulic lifting keel will give you far more access to those hard to reach areas.

- Electric furling main
- Electric furling Genoa and self tacking Jib
- Raymarine Electronics
- Hydraulic lifting keel 1.1 - 3.3M
- Twin heads with separate shower compartment
- Hydraulic swim platform
- Watermaker
- Onan Genset
- Bow and Stern thruster
- Lewmar Electric winches
- New covers in 2022
- 3 zone A/C

If you are considering a Swan or Oyster yacht then the Southerly yacht range should also be on your list. To organise a viewing of this exceptional yacht or for more information call Gill or the team at SMB today.
