

# SV Offshore Haven

Registration: NZ1903 - Manufacturer: Robertson & Caine - Model: Leopard 47

*Proven Blue Water cruiser ready for her next adventure!*

Please find full inventory below. You are welcome to check out more photos and video from her offshore travels here: <https://www.facebook.com/yovichfamily?mibextid=eHce3h>

## Key benefits:

- SV Offshore Haven was imported (with tax paid) by the previous Kiwi owner and purchased by current owners (Andrew and Alexandra Yovich) Oct 2014.
- Mooring available in Bayswater, Auckland (long-term rent \$50 per week or purchase by negotiation).
- The boat was hauled in May 2024 at [Norsand Boatyard](#), Whangarei, and all general maintenance completed with new antifoul etc.
- All required and recommended upgrades have been done including: removing fuel tanks and replacing bases, replaced black water plumbing pipes, skin fittings, keels glassed, rudders replaced, standing and running rigging replaced, all saloon windows professionally replaced.
