New 26ft pontoon boat package deal.

Gold Coast

Dear

Please accept this letter as our official quotation for the supply of our pontoon boat as listed below: -

1 x 26FT (7.9M) Deck size, 8.82 O/A Tri- Hull PONTOON BOAT ONLY AS PER SPECIFICATION ATTACHED:

Mercury motor 250Hp XL

Option A, Fibre Glass, Total cost price custom built as a Package Deal: sail away.

14 persons for 26ft, custom styled and built, based on show boat model 2022 as seen but by supplied plan layout.

***Quote is valid to end till 14th Oct 2022, as one off deal.**

***Abbreviations *TBD; to be decided. *NC no charge, TBC; to be confirmed.**

NOTES:

Canopies should be folded, socked and secured during road transit. It is ultimately up to the vessel operator to determine if the canopy and/or side curtains if fitted, should be up or stored away when vessel is underway. Runaway Bay Pontoon Boats are not responsible for damage to the canopy or side curtains while in use in windy or other adverse weather conditions. Please note as with all products of this type it is not recommended to be left up in excessive wind unattended.

ESCALATION:

We have used our best endeavour to submit a competitive price based on the costs at the time of this quotation. However, due to the current economic climate of erratic price changes and labour shortages, the above pricing will be subject to rise and fall from the date of this quotation. An updated price will be given at the time of ordering and again at the commencement of the build.

PAYMENT:

DELIVERY: Free delivery with hand over on the GC or too your nearest ramp, based on legal 26ft Long.

WARRANTY:

Design and manufactured items by RBPB 3 years.
Bought in items, suppliers' standard warranty terms.

We thank you for the opportunity to submit our offer and look forward to receipt of your favourable reply.

Yours faithfully
Craig Winch Mobile

SPECIFICATION: All Standard inclusions on RBPB

LOGS – TRI HULL:

3 x 660mm 26" (approx.) diameter x 2.5mm marine grade aluminium fitted with extruded top mountings for floor frame.

Each log has sealed chambers to assist buoyancy in case of accidental piercing of the log.

Chine bar is stitch welded to the lower side of each log.

Anode mountings are fitted to the stern of each log below the waterline.

Under deck sheeting between tubes. Tri hulls only.

FUEL TANK – Tri-hull:

180 litres approximately inbuilt to centre log at stern. Shear plates made from aluminium tread plate are fitted to each side of this pod to spread the loads in the event of your boat running onto sandbanks. Fuel gauge and fittings are in accordance to outboard suppliers' recommendations.

DECK:

19mm fibre composite sheets, sealed and bolted to supports with large headed stainless-steel bolts & nylon nuts.

80mm x 40mm x 4mm structural marine grade aluminium channel for the support of fibre composite floor. Sikka flex is applied between the flooring and channel supports.

Deck perimeter is a heavy duty 6000 series powder coated aluminium extruded channel, **colour White**. Floor covering is a marine grade Woven vinyl flooring **Grey Teak** or similar colour as on standard boat. Glued as per manufacturers recommendations. All as seen!

WALLS: OPTION A:

Fibreglass sheets is fitted within the extruded anodised aluminium framework.

Sheet is in white interior, the exterior colour **Gloss White as seen with single bar work** Silver graphics as per white show boat.

Doors, lift-up type resting on a 'U' cradle when closed. **Number of doors 3**, with Front & Rear only in polycarbonate but subject based on final boat layout.

Note: Walls as per described above and plans,

SEATING:

Portside bow lounge Sports series radius bench seat with kickboard

Starboard bow lounge Sports series radius bench seat with kickboard

Sports series lounge arm with lift up backrest, **extra extension lounge before**

console.

Portside stern lounge Sports series longer bench seat with kickboard, as per sketch

Sports series lounge arm with lift up backrest, as per- sketch

Helm seat

Sports series reclining seat with adjustable head rest and sliding swivel pedestal

Lounge colours

Executive sport being light grey with white stitching, charcoal insert centres as seen

at factory supplied.

All as per plan and seen on the show boat.

Sorry pull out bins are no longer available.

(As seen, as per plan provided example only)
