THE YACHT BUSINESS

ULTIMATE RECREATIONAL

Step aboard this exceptional yacht, designed for stability, style, and seamless cruising. With expansive outdoor living spaces, a flybridge hardtop, and direct bow access bridge.

Entertain with ease—this vessel accommodates up to 21 guests, featuring plush seating, an integrated bar, and a premium Fusion sound system.

Retreat into three luxurious 3 cabin layout, each with an ensuite, walk-in shower, and freshwater toilet. The expansive master ensuite is a large part of why people prefer the 44. A spacious open plan saloon and galley provide high-end comforts and stunning views including hopper window, breakfast bar.

Built for adventure, enjoy sunbathing on the foredeck, easy water access via an integrated swim ladder, and smooth handling with hydraulic steering and advanced helm controls.

With LED lighting, self-draining decks, and stainless steel safety features, this yacht is crafted for luxury, comfort, and performance on every voyage.

FACTORY UPGRADES – ENHANCED PERFORMANCE & LUXURY

This yacht is fully equipped with premium factory upgrades for superior performance, comfort, and convenience.

- Power & Efficiency – Twin 320 HP Volvo D4 inboard engines, upgraded 7" multi-function display, and a reserve fuel tank (360L) with a transfer pump.
- Enhanced Handling – Bow thruster, dual rope cutters, and Evolution Autopilot with wireless remote for effortless navigation.
- Premium Comfort – Variable speed air conditioning (50,000 BTU), additional water storage (170L), and full-length mirrors & fans in all cabins.

- Luxury Features – Flybridge hardtop with lights, stainless steel 36L wet bar fridge, and an extra 65L fridge/freezer in the saloon.
- Entertainment & Tech – Raymarine 12" Axiom Pro S chart plotter, Raymarine i70s multifunction display, and wireless windlass remote.
- Outdoor Enjoyment – Aft cockpit sunshade, underwater LED lights, and freshwater deck wash pump for easy cleaning.
- Safety & Durability – Stainless steel davit system, black antifouling paint, and a complete mooring kit with fenders and ropes.

EFFORTLESS CONTROL. SEAMLESS NAVIGATION. UNMATCHED COMFORT.
