Description

Sydney Harbour's most unique business is up for sale.

'Event Boating Sydney' is the only one of its kind on Sydney Harbour and hence has been a very successful business that currently caters but not limited to:

- Charters
- Drone Work
- Film / Advertising Production
- NYE
- Island Events
- Dive Training
- Waterfront deliveries
- Salvages

With low running costs to operate, the barge is powered by twin 60hp Mercury outboards. The tri hulls are made from HDPE and the deck is Aluminium which makes for an easy to maintain and cost efficient business. There is a deck crane with 1.9T capacity for those specialist jobs. Included in the sale is a Whaly 500R with new 2024 Mercury 75Hp outboard work boat also in survey for 5PAX.

The current owner is wanting to pursue other ventures and looking for the right person to take over EB2 and grow the business further.

Onboard is a 80L fuel tank, Honda EU22 Generator, 4 Burner BBQ and 150L esky

The barge is in 1D Survey for 35 + 1 Pax

This is a fantastic opportunity if you are looking for a business with no competition, boating experience preferable.
