Mummery 40 Cruiser

Mummery 40 Cruising Yacht – *Forever*

Forever is a well-proven 1980 Mummery 40, purpose-built for offshore cruising and proudly showcasing Kiwi craftsmanship. Constructed from triple skin kauri, her interior is a standout feature — warm, durable, exposed timber shows off her Kiwi heritage.

She's powered by a Volvo Penta 40 (approx. 2,300 hours), offering reliable motoring when needed. Her aluminium sloop rig, paired with a Windpilot self-steering system, makes her ideal for short-handed sailing and long-distance cruising. The sails are in good condition, and her layout is functional and sea-kindly.

Forever comes equipped with a solid range of safety gear, giving peace of mind whether you're planning a coastal hop or bluewater voyage. She's a genuine offshore-capable yacht with the right blend of character, strength, and simplicity. Her liferaft expired in 2021 but, aside from that and a new set of flares she is ready to sail conform to safety requirements.

This is a rare opportunity to own a classic NZ-built cruiser with real pedigree. Whether you're looking to sail the Pacific or enjoy life aboard in local waters, *Forever* is ready to go.

Located in Marsden Cove Marina, Northland and ready for her next chapter. Call Tim on 0204 1717 995 today to arrange a viewing.
