

## **Swarbrick Spacesailer 27 "King Canute" - Premium Turnkey Cruiser/Racer**

Exceptionally rebuilt and professionally maintained, King Canute is the finest and most comprehensively upgraded Spacesailer 27 available today. Developed as a genuine turnkey cruiser/racer, she combines proven offshore capability with modern systems, premium sails, recent Volvo diesel power and extensive professional upgrades throughout. Step aboard and sail immediately - without the catch-up maintenance or refit work common for other yachts.

### **Why This Boat Stands Apart**

Comprehensive professional refit and ongoing maintenance

Modern engine, updated rigging, and integrated electronics

Extensive sail inventory included

Turn-key - ready to use immediately

Reproducing this level of refit, equipment and presentation in another Spacesailer 27 would require a substantial additional investment beyond the asking price.

King Canute has been maintained to minimise future ownership surprises and ongoing catch-up expenditure. The boat has been actively sailed, raced and continuously improved rather than sitting idle.

Inspection invited for genuine buyers.

Comprehensive documented refit and maintenance history available for serious buyers.

### **Major Upgrades & Refit**

Volvo Penta diesel (2019, ~600 hrs) with saildrive + feathering prop

Standing rigging replaced (2020-2024), halyards new 2026

Full professional repaint and refit

Engine & saildrive serviced

Winches serviced

Antifoul, prop speed, hull polish completed

Professionally maintained by Perth Shipwrights, Bay Marine, Rigging WA, and Clough Marine Electronics.

### **Versatility & Performance**

A well-balanced yacht offering:

Stable, confidence-inspiring handling for cruising

Proven performance for racing

ORCi Stability Index 120.5 (offshore capable)

Extensive sail wardrobe included, featuring both Triradial CDX white and carbon lite black sails and multiple spinnakers for those wanting to optimise performance.

### **Electronics**

B&G Vulcan chartplotter + Triton instruments

AIS, tiller pilot, VHF

Full NMEA network with laptop integration (for Expedition Sailing and Navigation software)

Battery system (2023) with charger + shore power

Well set up for both coastal cruising and offshore passages.

### **Comfort & Accommodation**

Full 6ft headroom throughout

Sleeps 6 comfortably

Electric toilet

Functional galley with stove, sink & large icebox

LED lighting throughout

Fusion stereo (cockpit + cabin)

A practical and comfortable layout for weekends away or

longer trips.

## Details

Price	AU \$44,500 <b>Ono</b>
Vessel Name	King Canute
Launch Year	1986
Length	27' 0" - 8.23m
Beam	2.83m
Draft	1.48m
Displacement	2950
HIN	AU-TWA001185BE1
Registration	76176
Registration Expiry	28/11/2026
Keel / Ballast	Encapsulated fin keel (no bolts)
Designer	Kim Swarbrick
Builder	Swarbrick
Hull Material	Fibreglass/GRP Recent AntiFoul, Prospeed, Polish, and Seal
Decks Material	GRP
Engine	Powerful Volvo Penta D120F with 130S-B sail drive with feathering propeller. Fitted new March 2019.18 HP, ensuring robust performance and reliability. Professionally serviced on a regular basis by Bay Marine.
Engine Make/Model	Volvo Penta
Horsepower	18
Fuel Type	Diesel
Engine Hours	~600
Fuel Consumption	Low
Max Speed	7 knots
Cruise Speed	6 knots
Propulsion	Sail Drive
Fuel	27L
Water	20L removable container plus 50L Plastimo expansion bladder. Plumbed in to sink tap
Covers	Weathermax boat cover navy blue Boom cover Tiller cover Winch covers
Accommodation	Table (removable) and seating with comfortable cushions, LED lighting throughout, new marine carpet, 12v connections for fridge/fan
Cabins	Main cabin with door to separate cabin with toilet and V berth
Berths	Double V berth/sail storage, double main cabin port side, 2 single with lee sheets
Toilet	Electric flush, no holding tank
Entertainment	Fusion Stereo with speakers in cabin and on deck (VHF/Stereo switch), bluetooth connectivity
Galley	Sink, stove, huge ice box, good storage
Refrigeration	12v connections on port and starboard for portable fridge
Stove	Custom built cover
Ground Tackle	Australian Sailing Cat 2 compliant. Anchor 1: Danforth 22S, Anchor 2: Danforth 13S
Safety Gear	Current Australian Sailing Category 2 compliance for monohulls for Offshore Races of long distance near shoreline. Extensive safety

- equipment all in date and audited by a National Equipment Auditor (audit form available). Dan Buoy (auto inflate), Fire Extinguishers, Flares, 50% reefing main, Storm jib, Tethers, Lifelines, Grab bag, Jackstays, Bosuns chair, First aid etc
- Bilge Pumps** 1 x auto with float switch plus 2 x manual (1 in cockpit, 1 in cabin)
- Life Raft** Rented
- Epirb** 1 x Ocean Signal EPIRB3 Category 2 EPIRB with AIS, RLS, NFC, 1 x GME Accusat MT600, 1 x GME Accusat
- Life Jackets** Assorted life jackets
- Flares** Full offshore kit in date
- Fire Protection** 3 Fire Extinguishers, Fire blanket
- Electrics** Full switch board, wiring, NMEA network, B&G electronics, VHF, Fusion stereo, lighting, usb connection to instruments for Expedition Navigation & Sailing software. All professionally installed by Clough Marine Electronics
- Electronics** Electronics professionally installed by Clough Marine Electronics: O Includes Brookes & Gatehouse (B&G) marine electronics Vulcan 7R chart plotter on RAM mount with Navionics charts. o Triton2 speed/depth/wind instruments o Precision-9 compass. o NMEA network o ICOM IC-M330GE ultra compact VHF with GPS and mast head antenna o Fusion Stereo with speakers in cabin and on deck (VHF/Stereo switch) o Auto bilge with float switch plus 2 x manual bilge pumps o All new LED lighting including Mast head, deck light, steaming & anchor lights o SIMRAD TP10 tiller pilot o NAIS-500 Class B AIS including VHF/AIS antenna splitter and GLS500 antenna o 2 x Blue Sea 12-volt power sockets (port & starboard cabin) o 3 batteries (all new March 2023) 1 x AE31, 2 x 12v 120AH Fullriver Deep Cycle AGM Batteries o Battery Charger (fully installed and connected to shore power) o Shore Power o GPO double outlet in boat professionally installed with Electrical Safety Certificate o All installation and user manuals
- Sail Inventory** Sails regularly serviced by OneSails: o Main: Full batten Triradial CDX (2 reefs) o Main: Full batten Carbon Liteskin (2 reefs) o Main: Dacron o No 1 Light medium Carbon Liteskin o No 1 Light overlapped Genoa Triradial CDX o No 1 Dacron o No 1.5 Light Carbon Liteskin o No 2 Medium overlapped Genoa Triradial CDX o No 2 Dacron o No 3 Heavy non-overlapped jib Triradial CDX o No 3 Dacron o No 5 Strong wind non overlapped jib with battens o Symmetric spinnakers x 5 o Storm jib with own sheets o Genoa bags 4m, 5m, 6m
- Mast / Rigging** Rigging regularly inspected by Rigging WA: o All new standing rigging Oct 2020, forestay new Feb 2024, backstay new Mar 2024, halyards new Jan 2026. Invoices available. o Running rigging (dyneema core) regularly replaced o 2 separate tracks / sheet blocks for

different sail sizes o Mast lowering gear optimised for stress free operation o Spares o Rigging inspection Jan 2026

Deck Gear O All new Ronstan and Harken deck gear o 2 x 60mm anodised alloy spinnaker poles with alloy beaks o 2 x Primary Barlow 24 twin speed winches on cockpit combing o 2 x Secondary Barlow 20 single speed winches on cockpit combing aft. o 2 x Barlow 16 single speed winches on cabin deckAll o All winches serviced Jan 2026

Remarks Record of race results: [https://www.Topyacht.Com.Au/mt/mt\\_pub.Php?boid=13062](https://www.Topyacht.Com.Au/mt/mt_pub.Php?boid=13062) Extras: o Redundancy with seperate engine water inlet with filter (in addition to sail drive) o Spare tiller (brand new, never used) o Stacks of spares, receipts, user manuals o Custom fitted pipe cot canvas with lee sheet o Professionally anti-fouled with International Micron Extra (sprayed) and prop speed o Incline tested ORCi stability index: 120,5 (sufficient for Australian Sailing Cat 1) o Current IRC endorsed certificate rating: 0,865 o Jan 2026 New halyards, All Winches serviced, Rigging Inspection completed, Engine serviced, Antifoul, Prop speed, Polish, Seal
