### **Vagabond 47 Mark II - Priced to sell!**

Vagabond 47 Mark II safe and sturdy with great living space. Designed by William Gardner she is professionally built by Blue Water Yacht builders in Taiwan to an extremely high standard. "Charisma" has all the amenities for living aboard and coastal/blue-water cruising and has been very well maintained by the current owner of 18 years. Step aboard where you are greeted by a spacious well appointed cockpit which can be fully enclosed to provide a social space making her great for winter living, summer entertaining or to just sit outside on the aft quarter deck. Below she has a double cabin aft with ensuite on starboard. The galley is located on port, boasting full length counter tops and double sinks. Moving forward you are greeted by the spacious saloon, where there is seating for up to eight, navigation, chart table and electrical switchboard are located here as well. The Mark II design incorporates a raised roof coach, giving increased headroom and a raised cabin sole, allowing for plenty of room for the 100hp Volvo Penta engine, tankage and storage. Moving further forward there is a single berth with bathroom opposite and a double V berth towards the bow. The sail wardrobe is extensive, sails are in good condition as is the standing rigging replaced in 2016 (certificate available). "Charisma" has Teak decks, which have been very well maintained so as to provide water tightness and looks. This vessel has an extensive inventory for blue-water cruising, including a Bauer dive compressor. The current owner has sailed around 30,000NM, mainly in Asia and the Pacific. Due to the ongoing upkeep, we are able to present this vessel in excellent condition. "Charisma" must sell, and is priced accordingly. Please call Alistair at Vining Marine NZ on 021 406 446 or Rob 027 332 2535 to arrange a viewing.
