Description

'SDF' has just had a huge price reduction as the owner wants her gone! This is the very last hull built by Riviera before the development of its new range, renowned for her excellent seaworthiness and great solidity.

In 2023, the boat was fully inspected, serviced, optimized, and upgraded with approx \$260,000 being spent on her. Numerous features have been added, including a new refrigerator, a freezer, and a dishwasher. The cockpit is now protected by ventilated covers, while the flybridge is equipped with transparent covers. The floors have been covered with Seadeck for optimal comfort.

A gas circuit has been installed to power the new dual-fuel stove and barbecue, eliminating the need to start the generator just to make a coffee.

- Volvo Penta D6 with 575HP and only 1050Hrs
- Simrad electronics package
- 290CL Aluminium Highfield RIB with Yamaha Enduro 15HP (New 2023)
- Carbon outriggers (New 2023)
- Sun Shade (New 2023)
- 8 Pax life raft

Currently berth in Noumea under a French Flag.

For more information and to organise a viewing contact the team at SMB today.

Features
