STINGER 32' GT — ITALBOATS

As New & Available For Immediate Delivery

Step into Italian luxury and performance with this immaculate 2023 Italboats Stinger 32' GT, offered in as-new condition and ready for immediate delivery.

With very low engine hours (116hrs Port & Stb) and meticulously maintained throughout, this 32-foot RIB combines high-end design with offshore capability. Its sleek lines, premium Hypalon tubes, and deep-V hull deliver an exceptionally smooth ride, while the spacious layout provides ample room for entertaining, lounging, or high-speed cruising.

Outfitted with twin 300HP V8 Mercury engines equipped for performance and economy, a luxurious U-shaped lounge, bow sundeck, full wet bar, and a private head, Furuno electronics package, bow thruster and so on this vessel is fully equipped for everything from weekend getaways to coastal adventures.

Key Highlights:

- As new condition
- Bow Thruster
- Furuno Electronics package
- Fusion stereo system
- Fully equipped with premium options
- Carries CE Category B for offshore use
- Ideal blend of performance, comfort, and Italian craftsmanship

OVERVIEW

Whether you're upgrading or entering the luxury RIB market for the first time, this Stinger 32 GT is a rare opportunity to own one of the finest high-performance RIBs available, without the wait or price tag.
