10m Roger-Hill Catamaran "Wildcat"

Wildcat is powered by twin 257hp Steyr diesel engines from Austria, paired with Bravo 2 legs and electronic controls for smooth handling. Designed for fishing, commuting, or work, it features dual helm stations, a Dometic fridge/freezer, hot water from a Calfont, and shore power with EWOFF. The spacious saloon features sliding windows, a newly installed helm seat, a two-burner stove, and a sink for comfort and convenience. A windscreen wiper ensures clear visibility in all conditions. The fully covered cockpit is equipped with a central fish/bait station, game chair, and four 12V plugs for reels, making it ideal for serious anglers. The large enclosed boarding platform includes two walk-through transom doors, a gate, a dive ladder, and newly installed aft handrails for safety and easy water access. Additional highlights: Full window and flybridge covers, a Bimini top, and a cockpit sun/rain canopy for all-weather work. Wildcat is ready for her next adventure, whether it's offshore fishing, commuting, or working on the water! Asking \$425,500 - View in Takaka Contact Byron Price to arrange a viewing on 022 404 2326.
