Sea Ray 310 Sports Cruiser

Generously Discounted to \$95,000! Radiant, a regularly well maintained 1991 Sea Ray 310 that's built for both comfort and adventure. Whether you're cruising the Sounds or planning a weekend escape, this vessel combines sporty performance with weekend ready comfort. Powered by twin 200hp Volvo engines, that were last serviced in November 2024, with the external legs serviced in January 2025. 2X 300L fuel tanks, for long-range cruising. Bow thruster for easy docking and manoeuvring. Hot water system and electric toilet for onboard comfort. Fish finder, for keen fishers. Inflatable Zodiac tender powered by 2hp engine, great for exploring shallow waters. Recent upgrades include new clears, ensuring visibility and protection in all conditions. The owner would consider a trade on a Buccaneer Power Boat (or similar) and cash difference. Asking \$95,000 - View in Waikawa.
