Description

Step aboard Carina, a beautifully kept Catalina 350 that's ready to sail away without a to do list in sight. This yacht has been lovingly maintained, gently used, and it shows in every detail, from her her upgraded rigging to her immaculate interior. With recent works already taken care of, she's the ideal mix of comfort, performance, and peace of mind.

Antifouled in September 2025 and boasting brand new standing rigging from August 2024, Carina offers her next owner the confidence of a yacht that's been both lightly used and diligently maintained. Add in her low engine hours, and Catalina's reputation for sturdy build quality, and you've got a dream cruiser ready to deliver memorable adventures.

Some of her key features include:

- Brand-new standing rigging (2024) - tick off one of the big jobs for years to come
- Freshly antifouled (Sept 2025) - clean hull, ready to sail
- Low engine hours - reliable power with plenty of life ahead
- Spacious two-cabin layout - perfect for family or friends aboard
- Excellent overall condition - shows as one of the best-kept Catalina 350s on the market

Whether you're chasing lazy coastal weekends, blue water adventures, or simply a yacht that feels like new without the price tag, Carina is the perfect match.
