Description

For those who understand Motor Yachts and can appreciate this incredible build, 'Ransom' has to be the coolest Twin Deck Motor Yacht we have seen hit the market in years!!

This incredible vessel was built by world renowned New Zealand Superyacht builders McMullen and Wing, with quite possibly the finest and most precise welding that I think I have ever seen, these guys seriously know how to build yachts.

'Ransom' features many must have features including:

- Hydraulic Fin Stabilisers
- Huge 8,000l Fuel Capacity, 4000l Water and 2000l Holding tank
- Hydraulic Flybridge Davit System for both a Brig and a Puffin Pacer Sailing Dingy
- 4 Generous cabins, with Mast to Stern for extra comfort at anchor
- Furuno Navigation Equipment
- Simrad Auto Pilot
- Onan 12kw Generator
- Flopper Stoppers

For those that love the water and water sports this is truly the ultimate family vessel, safe reliable and ready to take you for that trip to the Whitsundays, a lap of Tassie or perhaps just to enjoy in your Favorite spot with all the toys onboard for the kids and adults alike.

'Ransom' cruises along at 9 knots using 28l/h, very economical and very comfortable, her stabilisers work a treat. This is a remarkable vessel.

If this looks like she could be the perfect vessel for your next excursion, then do not delay and contact the team at Sydney Marine Brokerage today for further information, or to organise a viewing.
