## Description

Summer afternoons on Pittwater, towing the kids on the ski tube, dropping anchor for lunch or simply cruising with friends, the Stejcraft SS55 was built for days like these.

Proudly Australian made, the SS55 combines timeless styling with a confidence-inspiring ride, thanks to its 19-degree deep-V hull. Powered by a Suzuki DF140BTX 140HP four-stroke outboard, she delivers smooth, responsive performance with plenty of power for watersports, while remaining economical to run.

The clever layout makes the most of every inch onboard. Wrap-around bow seating creates a comfortable space to relax, while the spacious cockpit flows seamlessly to the twin swim platforms, making swimming, entertaining and getting on and off the boat effortless. With premium finishes throughout and an Oceanic trailer included, this is a complete package that's ready to hit the water.

Some of her standout features include:

- Suzuki DF140BTX 140HP four-stroke outboard
- Oceanic drive-on trailer
- Lowrance Elite FS7 touchscreen chartplotter/fishfinder
- Hydraulic steering
- Stainless steel ski pole
- Full wrap-around bow lounge
- Integrated swim platforms with folding ladder
- Bluetooth stereo system
- OceanGrip flooring throughout
- LED cockpit and navigation lighting

Whether you're upgrading the family runabout or looking for a stylish first boat that can do it all, this near-new Stejcraft SS55 presents an outstanding opportunity.
