| Lying                      | Gold Coast, QLD                       |

#### 02 ENGINES

|                   |                   |
|-------------------|-------------------|
| Number of Engines | 2                 |
| Engine Make       | Volvo Penta       |
| Engine Model      | MD22L             |
| Horsepower        | 55 Hp - upgraded  |
| Engine Year/s     | 2006              |
| 1st Engine Number | 5102972908        |
| 2nd Engine Number | 5102972853        |
| Fuel Consumption  | 5 L / Hr @8 Knots |
| Fuel Type         | Diesel            |
| Maximum Speed     | 9 Knots           |
| Cruise Speed      | 8 Knots           |
| Propellers        | Folding           |
| Drive Type        | Saildrive         |

#### 03 ACCOMMODATION

|              |   |
|--------------|---|
| Cabins       | 3 |
| Queen Berths | 3 |

#### 04 BATHROOMS

|                    |                                                                                                                 |
|--------------------|-----------------------------------------------------------------------------------------------------------------|
| Showers            | 2                                                                                                               |
| Heads              | 2                                                                                                               |
| Heads Type         | Electric                                                                                                        |
| Holding Tanks      | Yes                                                                                                             |
| Hot Water Capacity | Twin hot water heaters via 240v shore power, generator or engine heat exchangers. Port unit replaced March 2021 |

#### 05 GALLEY

|                 |                                |
|-----------------|--------------------------------|
| Galley Location | Down                           |
| Refrigeration   | Replaced 2018 + cockpit fridge |
| Freezer         | Top-loading                    |
| Stove           | Gas cooktop                    |

|           |                                                                                                                                           |
|-----------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Oven      | Gas                                                                                                                                       |
| Sink      | Double stainless steel                                                                                                                    |
| Microwave | Replaced 2018                                                                                                                             |
| Notes     | Twin 6 Kg stainless steel gas bottles in vented forward locker. Bottles in test, gas solenoid replaced 2020, system tested for compliance |

## 06 ELECTRONICS

|                  |                                                                                          |
|------------------|------------------------------------------------------------------------------------------|
| Depth Sounder    | Raytheon ST60 speed, depth/wind instruments. Masthead wind sensor replaced December 2020 |
| Autopilot        | Raymarine 100/300 linear autopilot computer with ST6001 control unit                     |
| Wind Instruments | Raytheon ST60 with masthead sensor replaced December 2020                                |
| Radar            | Raymarine Quantum                                                                        |
| Chartplotter     | Raymarine E165/GPS, charts updated July 2016                                             |
| GPS              | Raymarine E165/GPS, charts updated July 2016                                             |
| VHF              | Main unit at navigation station, cockpit remote handset                                  |
| TV               | Television with DVD player                                                               |
| Stereo           | Yes                                                                                      |
| Notes            | Compass fitted at helm                                                                   |

## 07 BATTERIES

|                |                                             |
|----------------|---------------------------------------------|
| Battery House  | 3 x 210 Amp/Hr - linked/managed by inverter |
| Battery Engine | 2 x heavy-duty replaced March 2021          |

## 08 ELECTRICAL EQUIPMENT

|                  |                                                          |
|------------------|----------------------------------------------------------|
| Watermaker       | Rainman                                                  |
| Generator        | Paguro 6 kVA fitted 2019, presented as-new condition     |
| Solar Panels     | 3 Panels total 360w mounted on stainless steel targa bar |
| Washing Machine  | Ezywash                                                  |
| Air Conditioning | Twin systems                                             |
| Heater           | Yes                                                      |
| Inverter         | Yes                                                      |
| Alternator       | 90A on each engine                                       |
| Shore Power      | 2 x 240v circuits with leads                             |

## 09 SAIL INVENTORY

|                       |                                                                                                                |
|-----------------------|----------------------------------------------------------------------------------------------------------------|
| Mast Material         | Aluminium alloy                                                                                                |
| Standing Rig Material | Stainless steel                                                                                                |
| Standing Rig Age      | Replaced 2021                                                                                                  |
| Age of Sails          | Combination original, newer sails                                                                              |
| Main Sails            | Original fully battened 66m <sup>2</sup> new sheets, double reefing, sail bag fitted June 2024                 |
| Headsails             | 42m <sup>2</sup> furling genoa with sail, sheets replaced 2021-2022                                            |
| Screecher / Gennaker  | Asymmetrical spinnaker in peacock blue/yellow, GRP hoop. Original sheets. Used only twice, in as-new condition |

## 14 DISCLAIMER

This inventory has been prepared by The Yacht Sales Co. from particulars supplied by the seller. It is offered on the seller's instructions and in reliance on the seller's own written confirmation that those particulars are true and complete.

Every care has been taken in its preparation, but The Yacht Sales Co. gives no guarantee or warranty as to its accuracy, nor as to the condition of the vessel or of any item listed, and acts as broker for the seller and not as principal. A buyer should instruct their own agents or surveyors to verify any detail on which they intend to rely, and should satisfy themselves as to the condition and title of the vessel before purchase.

The vessel is offered subject to prior sale, price change or withdrawal without notice. Nothing in this disclaimer excludes, restricts or modifies any right or remedy available under the Australian Consumer Law.
