2007 Sunseeker Manhattan 60

A superb example of the highly sought-after Sunseeker Manhattan 60, this exceptional yacht has benefited from an extensive refurbishment completed in 2025, presenting in outstanding turnkey condition. Renowned for its timeless styling, luxurious accommodation, and impressive offshore performance, the Manhattan 60 remains one of Sunseeker's most successful flybridge models.

Powered by twin 900HP MAN D2848LE423 diesel engines, she delivers effortless cruising performance with the reliability and engineering excellence that MAN is renowned for. The addition of a hardtop enhances the flybridge, creating an inviting entertaining space that can be enjoyed in all conditions.
