Description

MILLKRAFT 60 'SILVER SPIRIT' – CLASSIC LUXURY & ESTABLISHED SYDNEY HARBOUR CHARTER BUSINESS

60 Feet of Opulence, Timeless Elegance & Classic Charm

AMSA 1E Survey – 42 Passengers + 2 Crew

VESSEL & BUSINESS FOR SALE – OVER \$209,000 IN FORWARD BOOKINGS - To date.

Step aboard Silver Spirit, a magnificent 60ft Millkraft motor yacht combining timeless elegance, classic craftsmanship and exceptional entertaining spaces with an established and successful Sydney Harbour charter business.

Commissioned in the early 1980s, Silver Spirit has always been family owned and operated, with only a handful of captains at her helm throughout the decades. Her rich history and enduring character make her a distinctive presence on Sydney Harbour. Exceptional Entertaining Spaces

Designed with entertaining in mind, Silver Spirit offers generous outdoor areas, including a spacious flybridge with spectacular harbour views, a welcoming aft deck and an inviting interior saloon.

Her fully licensed bar complements the onboard experience, making her ideally suited to hens parties, birthdays, private celebrations, corporate functions and special events.

A standout feature is her anti-rolling gyro stabiliser, a significant addition that reduces rolling motion and enhances guest comfort. This is a genuine game changer when entertaining on Sydney Harbour.

Operating under AMSA Class 1E Survey for 42 passengers plus 2 crew, Silver Spirit offers substantial charter capacity within her approved operational limits. An Established Charter Business Included

The sale includes Hens Party Cruises Sydney, a successful, stand-alone charter business operating for over seven years.

With its own dedicated website, established market presence and business identity, Hens Party Cruises Sydney generates the majority of bookings aboard Silver Spirit.

This represents an opportunity to acquire not just a beautiful classic charter vessel, but an established operating business with an existing customer base and forward bookings.

Over \$209,000 in confirmed forward bookings - to date, providing an incoming owner with an immediate pipeline of charter activity.

A Turnkey Opportunity on Sydney Harbour

Whether you're an established charter operator looking to expand your fleet or an aspiring owner-operator seeking an entry into Sydney Harbour's charter industry, Silver Spirit offers a compelling combination of classic style, entertaining capacity and established business operations.

The vessel. The business. The website. The forward bookings. All offered together.
