Gippsland Lakes Syndicate

Seawind Syndicates are fast becoming a popular means of owning a new boat, at a fraction of the cost but with a guaranteed regular usage. With Seawind facilitating the formation of the Syndicate with guidelines, roster, maintenance program and syndicate handbook, this is the easiest and most convenient way of owning a boat. See over for prices and inclusions.

Location & Yearly Costs

The Syndicate is based on the beautiful Gippsland Lakes in Victoria, only 3 hours drive from Melbourne City, with access to over 120 miles of fantastic sailing area, this is the perfect place to enjoy owning a Seawind. A regular maintenance and cleaning package factored in to keep the boat in pristine condition. The boat will also be scheduled for yearly slipping, antifouling and other general maintenance.

Time Allocation

Based on a 3 share syndicate, the usage program provides each share holder 2 week access (Wed to Tues) to the boat every 6 weeks, with major holidays being rotated yearly. Of course, the more shares owned by a shareholder, the more usage that owner gets.

Only pay a share of the costs! Yearly budget:

Marina Berth	\$10,000
Detailing	\$ 2,400
Insurance	\$ 5,000
Maintenance Fund	\$ 5,000
Slipping & Antifoul	\$ 3,500
Engine Servicing	\$ 1,000
Anchor Winch & Toilet Service	\$ 300
TOTAL:	\$27,200

Per 1/3 share per year: \$ 9,067

To join a Syndicate, we require a \$1,500 expression of interest deposit that is refundable if you change your mind or if the Syndicate is not formed. Although Seawind will facilitate the formation of the Syndicate, it does not have any formal on-going role in managing or operating the syndicate.
