

# 40.3

# DELPHIA

DELPHIA 40.3 is an oceangoing yacht built to RCD Category A, ensuring it meets the highest standards for performance and safety. Delphia 40.3 is available in two, three and four cabin versions with all versions featuring two heads compartments. Below decks, Delphia 40.3 features a very spacious and bright saloon with room to accommodate the whole crew in comfort.

A large fully equipped galley is common to all versions as is a navigation table. Delphia 40.3 has a wide, spacious and well laid out cockpit, perfect for unwinding after a day's sailing. The teak cockpit features convenient aft access to the bathing platform, ideal for boarding when moored stern to. Delphia 40.3 is available with either a fixed or a swing keel. The fixed keel version is available as either deep or shallow draught and the yacht is also available with either dual or single steering positions. For convenience, it is also possible to order the furling mast system.

**\*D40.3 to DYA standard specifications**

# Delphia 40.3 Specification and Standard Equipment List
